The Yearbook Staff of 1976 is proud to dedicate this year's annual to Mr. Richard Kesler. Over the years, he has shared with us his knowledge as both a coach and teacher. He has expressed morals and ideals which we will surely benefit from in our life. It's with great pleasure that we express a sincere "Thank You."

In Memory

In this bicentennial year, we would like to remember all those who have devoted their lives to the preservation of our democratic principles both in times of crisis and peace, in order that "this country of the people, by the people and for the people shall not perish from the earth." -

Abe Lincoln

Looking back . . .

None of us is born the same,
We don't know why; it's the way we came.
Every heart beats a little differently,
Each soul is free to find its way
Like a river that winds its way to the sea.

For life is a journey
And there are many roads beneath the sky,
And there are many good people
Who don't see eye to eye.

Not every man can sing your tune;
From where he stands there's another view.
With every turn we're learning more
And perhaps we'll find
That the walls we build are only in the mind.

There are many roads to go
And they go by many names.
They don't all go the same way
But they get there all the same
And I have a feeling that we'll meet some day
Where the roads come together up the way.

- Paul Colwell
